General Terms and Conditions

1. Unless otherwise agreed upon in writing, charges for all services shall be billed by UTS to Client in accordance with this Price List & General Terms and Conditions. Normal business hours are from 7:00 AM to 4:00 PM Monday through Friday, excluding holidays. Labor and test prices will be charged at overtime (1.5 times the base rate) for all work performed in excess of 8 hours per day. Unless prearranged schedules are approved by UTS, the overtime rate will also apply to all work performed before 7:00 AM and after 4:00 PM on Monday through Friday, and for all work performed on Weekends and Holidays. Work performed in reference to project management requirements (i.e. planning, project meetings, specialized reports, work plans, etc.) will be billed at the Quality Control Manager and/or Professional Engineer rate.
2. Proposals prepared by UTS are estimates only. Invoices shall be submitted by UTS to Client on a monthly basis for actual work performed during the preceding month. The total amount billed for a project may vary from proposals or estimates based upon actual project requirements or Client requests, however quoted unit prices will remain firm. Client shall pay UTS invoices in full within thirty (30) days of the invoice date, regardless of Client's receipt of payments from third parties. Client further agrees to pay all accrued interest for past due invoices. Interest shall be calculated at 1.5% per month (18% annually) starting 30 days after the invoice date. UTS reserves the right to withhold final reports, letters of compliance, or any other relevant document until all past due invoices have been paid.
3. UTS's responsibilities shall be limited to the testing and inspections requested by Client in accordance with specifications or project provisions. UTS will not render any engineering judgments or opinions.
4. Client recognizes that the services provided by UTS do not carry a warranty or guarantee of any type. While such services may reduce the risk of construction defects, omissions, or deficiencies, it is the Client's responsibility to ensure the quality and completeness of the project in accordance with applicable plans and specifications.
5. Unless Client requests full-time services, Client understands that services provided by UTS, are on an "On-Call" basis. Client shall assume responsibility for adequate notification and scheduling of UTS services. UTS will make every reasonable effort to meet Client's schedule, but will not guarantee service availability without direct confirmation with Client.
6. Client agrees that UTS shall not be liable for damages, resulting from errors, omissions, or negligence, beyond the total fee received by UTS from Client. In no event shall UTS be liable for indirect or consequential damages of any kind.
7. In the event Client files a claim against UTS, and Client fails to prove such claim, Client shall pay all of the costs incurred by UTS in defense of the claim, including but not limited to, personnel costs, cause of action, claim or counterclaim, attorney fees, court costs, witness fees, and all other claim related expenses.
8. If Client transfers project responsibilities to a third party, Client shall continue to be responsible for payment of service provided by UTS until the third party has agreed to these terms, or Client terminates UTS services. In the event of termination, Client shall be responsible for payment of all services provided by UTS prior to the termination.
9. This Price List & General Terms and Conditions shall be submitted by UTS to Client before any services are performed. Client agrees that any request for service constitutes acceptance of the fees, terms and conditions stated herein, or as otherwise agreed to in writing.
